Dear Mr. Walters:

On behalf of the Board of Trustees of the ASPRS Foundation and the Officers, Board of Directors, and the thousands of members of ASPRS, I would like to express our sincere appreciation for your recent very generous donation of \$500 received March 16, 2009 to support the PBS Film Project being developed through ASPRS and funded by the Foundation.

The ASPRS Foundation's mission is "to advance the understanding and use of geospatial data for the betterment of humankind and the effective operation of public and private organizations." The Foundation currently accomplishes its mission by funding a number of activities in support of this mission, and this donation will certainly be instrumental in achieving an increased understanding of the use of spatial data by the general public.

As for the legal "fine print" for this particular donation, the ASPRS Foundation is a charitable organization exempt from taxation under the 501(c)3 code of the Internal Revenue Service. Donations to the Foundation are deductible as charitable contributions for federal income tax purposes to the extent provided by law. No goods or services were provided in consideration for this contribution. Please keep this letter on file as our *written substantiation* of your charitable contribution.

Thank you again for your contribution and your support.

Sincerely,

James R. Plasker
Executive Director
